Dustin Wells of Benefit Management met with the board to present a review of the county's health insurance plan. The view is a large increase coming due to high medical claims in the past years. Wells informed the board that he will work and try to get the proposed increase down. Wells stated that he understands the board reviewing other providers as a means of reducing the impact on the budget. The Medica contract expires on October 1 so the board has time to review all options.

Sheriff Jeff Brewer met with the board to inform them that he has been asked by the new Grant County Sheriff to renew the contract for

enforcement in the Southern end of the County. The board is fine with the contract renewal.

Brewer informed the board that the radio system currently used is obsolete and will need to be replaced in the next couple of years.

Interim Road Superintendent Rod Norton presented a study of the County Road #217 between Sections 17 and 20 in Township 32 North, Range 44 West.
